Mr. Albert W. Malang

Dear Mr. Malang:

On October 17, 1957, the Executive Committee of WNYU voted unanimously to cancel the authority given you last November to purchase a transmitter for Loew Hall, at a cost of $150.00.

The Committee further instructed me to inform you that you are no longer authorized to purchase anything in behalf of WNYU.

I understand that there is some small sum that we owe you for work already done. Upon receipt of an itemized invoice, payment will be sent to you.

In the future, we shall not trouble you with our problems, as the Executive Committee voted to dispense with your services.

Sincerely,

Stephen Rachlin
